

Democrats Use Immigrants! Immigrants Bow To Democrats!

Why is it taking so long for The People to "figure-out" the reason that the democrats in the USA love immigrants (to the point of ad nauseum) when -- all common-sense and logic tells us that IT IS MEGA-PROFITABLE -- (FOR THE LIBERAL DEMOCRATS)? The democrat machine in our country CANNOT SURVIVE without the existence of unreasonable numbers of IMMIGRANTS (good, bad, or sideways) who will happily join demo ranks (whatever is required) because of the benefits derived. . . for those concerned!

The whole thing that seems to be missing (and that everybody seems to be ignoring) is that the democrats have long made their way (get elected) to a large extent because of their "care-and-keeping" of unrealistic numbers of people from other lands. . . regardless of their background, or their intent or purpose. We, The People, are paying THE PRICE!

If you were to take the time to search it out, you would find that democrats IN-POWER (one-way or the other) in the USA for the past half century have made it a huge PRIORITY to seek out, bring-in, and cultivate the presence in our society of a mixture of the lost, the confused, and the not necessarily "WILLING." Not to mention the minions

they favor who have no allegiance to our country and have no intention of changing their ways in our favor. The democrats require no allegiance from these transients (except to the democrat party). THAT -- they trade-for. . . and get!

The democrats have -- for years -- insisted that everything possible (literally) should be done for ALL immigrants, regardless of the cost to the American taxpayer and law-abiding citizen. What kind of fool do they think you are?

Look 'em up! Their efforts in The Congress, and throughout the bureaucratic presence of our government (especially "planted" federal judges, for example) are exasperating to any citizen who maintains and holds a basic understanding and belief IN AMERICA!

Talk about "ad nauseum!" The incessant attitude of the liberals in our country (on television for example, and in "entertainment" and the so-called "news media") to insist that we continue to absorb into our culture those who are literally anti-American -- is ludicrous on the face of it. They know it -- and we know it!

This one dominant and unrealistic thing by the democrats is keeping America FRACTURED -- and will continue to.

FOLKS, IT IS THAT SIMPLE!
When will somebody in a position OF INFLUENCE decide to TELL IT LIKE IT IS?
The Democrat "ENGINE" (and their "loving" of immigrants) has absolutely nothing to do with Brotherly-Love or Gracious Hospitality!

THIEVES AND SCOUNDRELS USE "GLOBAL" WARMING AS A BATTERING-RAM -- TO STEAL!

The leading global-universalist in America during the last presidential administration was Barack H. Obama himself. We believe he is still the leader of that pack, during daylight hours as well as candlelight, flashlight, lamplight, and dark hours.

And we cannot help but ask: How in blazes is that supposed to help The People of these United States do anything well, good, or better? Globalism may work in the small minds of some men, but it is not designed to work for those who believe in NATIONAL-sovereignty!

Barack Obama, as president, did more harm to the average American citizen than anyone alive today will be able to fix, hide, or defend. According to spread-around information, he is still spreading his wares around -- and there will be people who follow him, wherever he may lead. Money begets power. . . and power begets money! **FACT!**

"Globalism" sounds great to some folks, and it has a handsome face that makes them believe it is salvation itself. What it is actually could be described as promoting false-security and promising things that will cost somebody loads of money for very questionable -- even doubtful returns. Obama's and other's actions have already cost us BILLIONS!

Try to imagine a world that (heaven forbid) is controlled by some "power" that understands every culture and every nationality in the world. That prospect alone should scare anybody AWAY from anything global. Most of us have a basic-nature that says anything GLOBAL is TOO BIG! PERIOD! Learn from the World-Wide-Web, folks!

For those, ambitious enough to misinterpret the likelihood of the probabilities that various individuals can concoct -- globalism is a fanciful dream, not a reality! If one of those hair-brained (ambitious) individuals is able to convince a large group to believe in the possibilities of "POWER OVER ALL," it is pretty good proof of their "dreamabilities!"

"Global" may sound great, if you are not thinking too far ahead; but, what it actually is, is a form of PLAYING GOD! Only God can handle global. And there is no logical reason to doubt that questionable people will try to convince all others that it is possible to make human "global" a reality. They are promoting human nightmares that cost individuals.

GLOBAL requires ALL! We can't afford it! The United States can't afford global, and neither can a variety of other nations -- or any combination of them. There are things today calling themselves "global" this or that, but if you will pay attention, they are LIMITED to whatever space they are able to CONTROL. It ain't WORLDWIDE, folks. If it is a percentage of WORLD-WIDE -- it is a small percentage. Mis-directed!

You may call yourself "global," "LLC," or "PDQ," -- it is a matter of financial and physical-fact that you CANNOT do what you are bragging can be done. Some scalawags get rich telling you they are "UNIVERSAL!"

I PLEDGE ALLEGIANCE to The Flag of the United States of America, and to The Republic for which it stands; One Nation, UNDER GOD, indivisible, with liberty and justice for all.

KINDNESS IS A LANGUAGE THE BLIND CAN SEE and THE DEAF CAN HEAR! How Do You KNOW Kindness?

Personally, Yours. . . . (What We Do With It, Will Be Our Legacy!)

The "Good" And The "Great" That Have Brought Us To Now!

Good and great ideas come from LARGE minds -- not small ones! Are the "large" minds of our day anywhere close to the GREAT minds that once made America -- the land of THE FREE, and the home of THE BRAVE? If Not -- Why not? Good and great people once thrived in America. They were proud of their heritage and proud to be a part of something that helped to make the world A BETTER PLACE! Good people. Great ideas!

And then, the human-element in America -- the only "element" that really counts -- began to slip and slide, until today, we can hardly identify those "good and great" who once stood proudly for OUR FLAG, and with a lump in their throat, and the hair on the back of their neck noticeable, proudly sang OUR NATIONAL ANTHEM! Why have SO MANY glibly -- even blindly -- given that up?

In order for America to be the great nation that our forefathers dreamed of, someone has to carry the torch, and lead the way to a BETTER future and a BRIGHTER tomorrow. Without dreams and the imagination of the pure-in-heart, those expectations of brighter tomorrows will not be likely.

Are we, today, not bolstered by expectations of THE GRACE OF GOD? Have we collectively become so indifferent, so selfish and tuned-in only to ourselves, that we have lost the belief-in, and the love of THE GRACE OF GOD?

When you ever choose to recollect the yesterdays of America, you cannot ignore that your tomorrow depends a great deal on those good and great gone before, who sacrificed (some of them) their all, to make a better place for all of us -- YOU AND YOURS. . . and OURS!

The human spirit glows its brightest when it is summoned by remembrances of those good and great who have gone before us. Are we so bold and ignorant in our time, that we do not have the ability to appreciate TRADITION -- which is remembering the best that has brought us to now? THINK!
